

**Turn up your
production!**

**Stuttgart, Germany
September 10-14, 2024
Hall 7, Booth B11**

EDM

Milling

Dear business partner,

We cordially invite you to discover the state of the art in production at our booth at the AMB exhibition in Stuttgart, Germany from **September 10-14, 2024**. We will be showcasing our latest technologies and products together with numerous applications and samples from part manufacturing and die & mould.

Don't miss out on the following highlights:

Horizontal and vertical milling innovations

- We will showcase our newest and most precise 5-axis horizontal machining centre.
- DA500, our new 5-axis vertical machining centre will showcase milling and turning processes.

EDM innovations

- The Edge3i, a sinker EDM, is coming to Europe after thousands of happy customers have already benefited from operating it in Asia.
- Extreme processing parameters in aluminum machining have never been as process-reliable as they are on the U6 H.E.A.T.

Are you ready for AMB? Expect the extraordinary at our **Booth B11 in Hall 7**.

We look forward to seeing you!

Yours sincerely,

P. Anders Ingemarsson

How to find us at AMB:

Makino GmbH

Kruichling 18, 73230 Kirchheim unter Teck, Germany
Tel.: +49 (7021) 503-0
www.makino.eu

Messe Stuttgart

Flughafenstraße/Flughafen
70629 Stuttgart (Leinfelden-Echterdingen)
Germany

By plane

The airport terminals are roughly 200 metres from the trade fair and congress grounds and can be reached comfortably on foot. There is also a direct S-Bahn connection to Stuttgart central station on the S2 and S3; Travel time: 27 minutes.

By car

Coming from the direction of Stuttgart, please exit the Stuttgart/Degerloch exit and join the slip road to the trade fair grounds and Airport. Then take the direct access road to the car park via the A8.

If approaching from the direction of Munich, an exit from the A8 motorway leads directly to the car park over the motorway just before the the trade fair and congress grounds.
